How do we decide where we die?

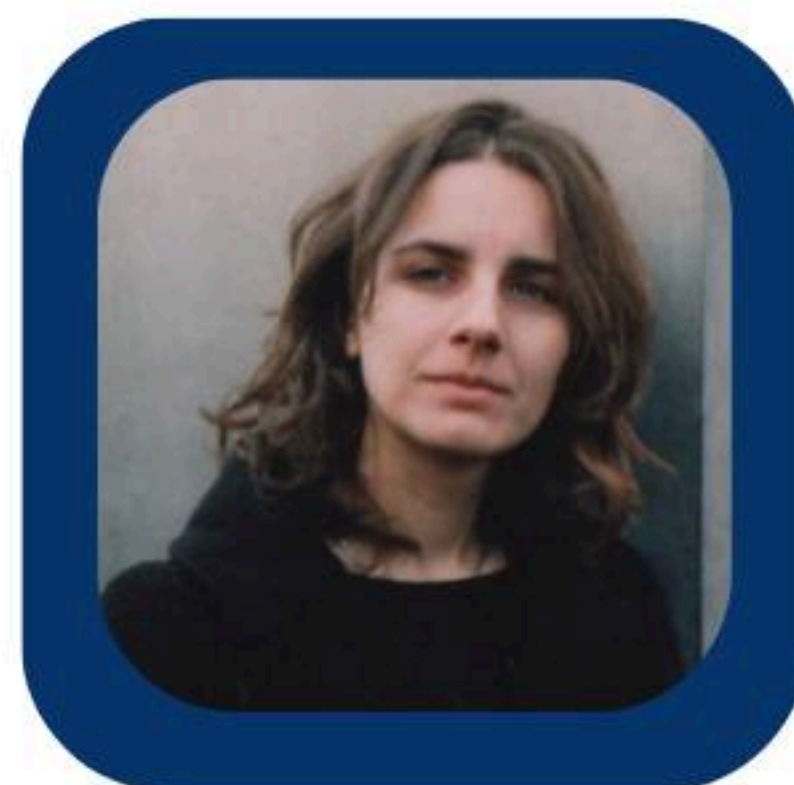

Wednesday 26 March, 14:00-16:00 GMT

A workshop exploring how we decide the place of our death, inviting participants to share their knowledge, experience, and stories.

Have we got preferences for the place we want to die and how have these been shaped? What is the role of family / loved ones / community in the decision making?

Virginia Rammou

Virginia is Head of Architectural Technology at the Mackintosh School of Architecture, Glasgow School of Art.
